

AAN CANCELLATION AND REFUND POLICY

AAN depends upon student tuition to continue to offer classes and workshops. Due to our commitment to small class sizes and the hands-on nature of art education, we are greatly impacted by cancellations. Nevertheless, we do understand that plans change. If you need to cancel your reservation for a class or workshop, please note our refund policy below and let us know as soon as possible.

AAN reserves the right to cancel any class due to insufficient enrollment or other circumstances. In this case, you will receive a full refund or transfer to another class of your choosing, space permitting. Money will be refunded due to insufficient enrollment, or teacher's cancellation. AAN Classes are canceled when Nantucket schools are closed due to weather and will reschedule makeup classes. Please note, we are unable to issue refunds for classes missed by a student.

If you cancel your registration:

A \$35 administrative fee per registrant will be charged for all class cancellations made by the registrant.
