As an artist my work is inspired by landscapes, urban and waterfront. I am interested in the beautiful crust, decay, layers of pressure, and the marks of time. I seek to express the grit and truth of what I observe and experience.

As a teacher and mentor, being authentic, speaking from my truth, modeling craftsmanship, and giving each student the space and opportunity to be respected in the process of expressing oneself, these are the values I work towards.

WORK EXPERIENCE

Arts Every Day, *Baltimore City*

Workshop presenter, Professional development facilitation
